

REP. DEUTCH CO-INTRODUCES

THE MEDICARE BUY-IN AND HEALTH CARE STABILIZATION ACT

- Allows participants age 50-64 to purchase Medicare coverage and creates system for employer contributions
- Improves cost sharing reduction subsidies
- Authorizes HHS to negotiate Part D prescription drug prices

"Our bill takes the successes of Medicare and expands it to millions more Americans. It's time for meaningful discussions across the aisle to find real solutions to our problems."

-REP. TED DEUTCH
